TIP: I-Cord: With your double-pointed needle, cast on desired number of stitches. *Without turning the needle, slide the stitches to the other end of the needle, pull the yarn around the back, and knit the stitches as usual. Repeat from * for desired length of cord or (shoelaces) for example - using a 1 or 2 dpn. Make the kids great shoelaces with some of that leftover "cotton yarn" you have in your stash. Fun...you can even teach the kids!

Ok, before we go....let's have a great thought for the day!
